The Blessing of Renewal

Taking the Promised Land / Joshua 8:30-35

Go Deeper

Read **Joshua 8:30-35**. Then talk with a friend this week and discuss the following questions:

1. What can we do to ensure we are following God's commands in the face of distractions or temptations?
2. What consequences come when we stray from God's design for our daily lives?
3. How do we identify the areas of our lives that require renewal?
4. Who helps you to stay strong in the Lord and to notice where improvement is needed?
5. Why is enjoying God and celebrating Him an important part of renewal and continued growth?

For next week, read **Joshua 9:1-27**.
