## Learning through Defeat

---

Taking the Promised Land / Joshua 7:1-26

As we execute God's plans, we must remember to obey God's commands. Total obedience is required. The tragedy of Achan's sin underscores the necessity of obedience and of responding to sin.

### Go Deeper

Read Joshua **7:1-26**. Then talk with a friend this week and discuss the following questions:

1. In what ways do Christians tolerate sin in our culture?
2. When have you seen painful damage caused by a person's sin?
3. What personal signals indicate your own sensitivity to God's guidance is lessening? How do you renew your sensitivity to God?
4. As you examine your life, where do you see a need to change a habit or confess a sinful action?
5. Why is it important to remember God's grace?

For next week, read Joshua **8:1-35**.

The **wheels on the bus** will be rolling before we know it. Collecting supplies for our SHOW schools is one way we can help get the school year off to a good start for many kids in our neighborhood. Don't just think of this as buying paper, pencils and notebooks. Sent with love and blessed by God, these supplies will help to enhance the learning experience for children in our community. Buying pencils – writing spelling words; crayons – a brightly colored picture; hand sanitizer/tissues – a healthier learning environment; dry erase markers – teaching aides. Happy kids! Grateful teachers! Blessings all around!
