Godliness Among God's People

Kevin Freeman / Zealous for Good / Titus 2:1-10

God's people must live according to God's Word! Although Christians know this, we are often susceptible to stray in predictable ways. In this message, we will discover how men and women, young and old can stay faithful to the Lord.

A _____ what you _____

Egghead Christianity

_____ focused

Prioritizes _____ over _____

Content with _____

A _____ faith to your _____

A _____ God's _____

Go Deeper

Read **Titus 2:1-10**. Then talk with a friend this week and discuss the following questions:

1. When do Christians give Christianity a bad name?
2. How can we ensure our actions align with sound doctrine in our daily lives?
3. Whose lifestyle has helped you better grasp what it means to be a Christian?
4. In what ways can older generations better connect with younger generations in the church?
5. What is one habit that you can change to live out your faith more effectively?

For next Sunday, read **Titus 2:11-15**.
