Faithful Distribution

Taking the Promised Land / Joshua 20:1-21;45

In response to God's faithfulness, Israel needed to preserve what God had established among them. This required setting up cities of refuge and allotting areas for the Levites. We must create margin to preserve what matters, or we will lose it.

Go Deeper

Read **Joshua 20-21**. Then talk with a friend this week and discuss the following questions:

1. How have you seen God's hand bring about good in your life despite your past regrets?
2. Whose consistent influence in your life has helped you grow in your faith?
3. What are some practical steps we can take to ensure our faith influences all areas of our life?
4. What changes can you make in your week to allow God's presence to have a larger impact on your daily decisions?
5. In what ways can we serve as 'connective tissue' in our communities, akin to the Levites?

For next week, read **Joshua 22:1-34**.
